VETERANS' SERVICE RECOGNITION BOOKLET

Volume Eight

“We Support Those Who Serve”

On behalf of the Province of Nova Scotia, I would like to thank our Nova Scotia Legion members, military personnel and their families for the enormous contributions and sacrifices they have made, and continue to make, for our great country.

Nova Scotia has always had a strong tradition of supporting Canada’s fighting men and women. This year marks the 70th anniversary of Canada’s raid on Dieppe, France during the Second World War. Nearly 5,000 Canadian soldiers stormed the French shore in the Battle of Dieppe. Less than half of them returned to Canada. All of them fought bravely.

The province is proud of the women and men who serve – and who have served – in the Canadian Armed Forces. I want to extend our heartfelt appreciation for the contributions they make abroad and at home with their families, in communities throughout Nova Scotia.

President's Message

Comrades,

It is with great pleasure that I welcome you to the eighth edition of the Veteran's Service Recognition Booklet. What a wonderful way to celebrate our veterans, both those who served and those who are still serving. The heart of this great country has been shaped by these wonderful men and women. They are our history and our legacy. Canada is known around the world as a peaceful, content and tolerant country because of our military. Our children and grandchildren can celebrate their heritage within these pages and be proud of the stock they came from. Savor every minute as you leisurely turn the pages of this exceptional piece of Canadiana and take time to thank every veteran you come across in your travels.

To Comrade Steve Wessel, your devotion to this project makes Nova Scotia/Nunavut Command so proud. We thank you once again for keeping our military history in the forefront.

In Comradeship,

Jean Marie Deveaux
President
NS/NU Command

Serenity Lindsay Funeral Homes & Crematorium

At Serenity Lindsay Funeral Homes & Crematorium, families have come to depend upon us to provide quality service when a loved one passes away. We have become well known for helping families in every way we can --before, during and after the funeral or memorial service.

Caring Service

Every detail is considered in outlining an appropriate tribute to your loved one. Because each family has its own traditions, we are dedicated to planning services which reflect individual wishes and preferences. We urge families to:

- select music with meaning to them
- a religious or humanistic service, depending on their faith
- caskets or urns or vaults which fit their desires and needs.

Services from which you may choose include (but are not limited to):

Complete traditional funeral services
Complete traditional cremation services
Memorial Services Graveside Services
Pre-arrangement of all services ---- Full consultation and co-ordination of services
Cremation Options

For individuals preferring cremation, many options are available. These include services from a traditional funeral with visitation, funeral ceremony and cremation, to cremation with a memorial service or immediate cremation with no formal ceremony.

We also provide the option of casket rental for cremation services.

Along with three tastefully decorated funeral home locations, we also own and operate the only crematorium in the Annapolis Valley

We offer a variety of pre-payment programs which allows you to control cost – avoid emotional over-spending, and protect your family against inflation. Our Funeral Directors can meet with you in your home or at one of our three funeral homes (Wolfville, New Ross and Berwick) to explain the various programs and answer any questions. We can provide you with Canada Pension Plan and Veteran's benefit information.

Advantages of pre-planning services:

1. You decide now what type of arrangements you want and how much you want to spend.
2. All funeral home service charges and merchandise items are price-guaranteed.
3. In the event you move from our neighbourhood, your funds are fully transferable to any funeral home in Canada.
4. 100% of your money is deposited in a special Trust Fund – no possibility of loss.
5. You can modify your arrangements at any time.

Spare your family the emotional stress of making decisions during a difficult time. Pre-planning is an important and responsible step which can save both emotional and financial distress. Every year, thousands of Canadians pre-arrange their funerals and statistics continue to show that more families than ever are making funeral arrangements in advance. Since there are many decisions to make, it is important to make your wishes known to your family or to make a prearrangement that lists your specific wishes.

Something to think about? Yes, certainly!

Feel free to call us, or come in, to discuss possibilities. But, please know this: If prearrangement is not something for which you have planned, we will, of course, still serve you

---- and we will be honoured to take care of your family's wishes for you in any event.

AFTER ALL:

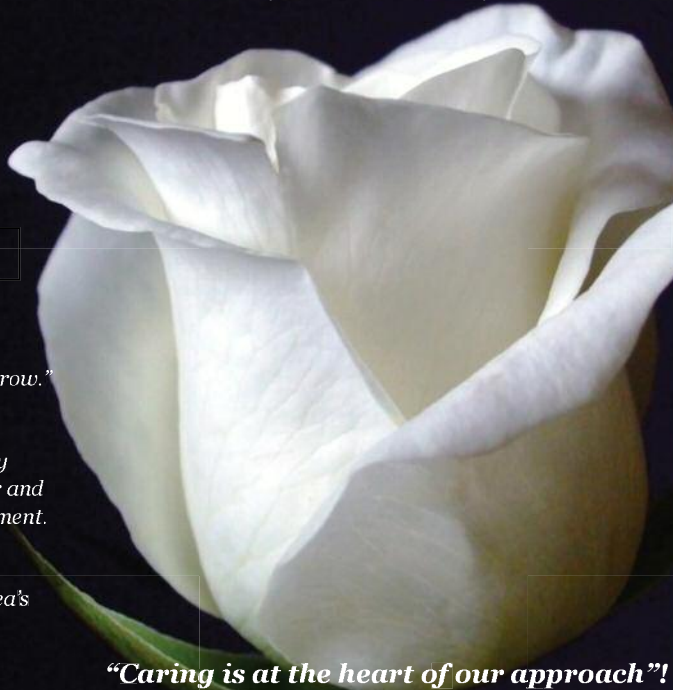

"Caring is at the heart of our approach"!

Proud Members of:

Paul and Dena Dawson, Owners

Owners Paul & Dena Dawson and their staff would like to wish all Veterans a wonderful Remembrance Day.

"Here today. Here tomorrow."

Long-term successful businesses are able to stay successful if they stay fair and stay true to their commitment.

With that in mind, we're proud to be one of our area's community cornerstones.

"Caring is at the heart of our approach"!

Project Chairman's Message

As Chairman of this important project, it is truly an honour to present Volume 8 of our Veterans' Service Recognition Book series on behalf of the Executive Council and membership of Nova Scotia / Nunavut Command of The Royal Canadian Legion to honour the lives and deeds of our Veterans.

When we began this project nine years ago, it was with more than a little trepidation and nervousness - would our Legion membership, the general public and our local businesses across Nova Scotia accept and support the concept of this book? The answer has been a consistent YES! Since our first edition, copies of this series of books have been sent to all public and school libraries across Nova Scotia and have become a research tool for our younger generations. As Legionnaires, we must keep the spirit of Remembrance alive in the hearts and minds of our youth and the general public. These books are but a small contribution to that effort.

I am always amazed at the generosity of the people of Nova Scotia and would like to again thank all the Legion Branches and individuals who continue to honour our Veterans by submitting their biographies and photos (a submission form can be found in the back of this book) and would like to thank all our advertising sponsors for their support of this project.

I would like to extend our sincere thanks to Fenety Marketing for their continuing support in the production of these books and together with NS/NU Command, we look forward to issuing Volume 9 in the Fall of 2013.

In Comradeship,

Soldier to Soldier

The uniform insignia and the battle equipment may have been different, yet the reason for being there was the same. One soldier fought and sacrificed life and limb so that peace may be protected and regained, the other soldier stood to bring a coffee, a writing pad, the essentials of hope and peace in the chaos of war. One soldier went to the front to face the worst of the worst, the other came as close as possible to serve those who served their country. With great admiration for those who fell, and for those who came back, The Salvation Army salutes and gives thanks for freedom gained at such a price. As an international movement The Salvation Army is honoured to serve “Soldier To Soldier”.

PEARLE, Lorne Ivan

PEACETIME

Lorne was born in 1938 in Sheffield Mills, Nova Scotia. He joined the Canadian Army and served with the Service Corps for 13 years, mostly as a driver on tanker trucks supplying fuel wherever needed. While driving tanker trucks, Ivan invented a hose part which the Government of Canada approved. He served in Canada, Germany, Egypt, and Cyprus. On retirement, Ivan served with the Cadet Corps with the rank of 2nd Lieutenant. He was a member of Clementsport Legion Branch #122 for 12 years before he passed away in 2011.

Submitted by the Clementsport Legion Branch #122 of The Royal Canadian Legion.

PERROTT, Walter Ernest

WWI

Walter was 24 years of age and an agent when he enlisted in Toronto, Ontario in the 73rd Highland Battalion in 1915. About a year later, he was promoted to Sergeant and nothing was ever heard of him after he went overseas with his battalion. The loss of Sergeant Perrott and other missing men in this way shows the saddest and most singular parts of a war.

At the age of 22, Lieutenant Probert was Company Commander of his RCR unit which had fought so splendidly in the Foch offensive but he did not live to see the result of the drive for the capture of Cambrai. J. T. was killed in action at the head of his company on September 30, 1918, in one of the fiercest engagements towards capturing Cambrai. The Evening Mail in Halifax also reported that on April 18, 1918, Lieutenant Probert captured a Bosche machine gun, which was one of the proud trophies of the Royal Canadian Regiment in France. J. T. was awarded the Military Cross for his daring exploit.
