

What is the answer!

Hi my name is Keira, I am 10 years old and I don't like tests that much, and I don't like the war so think of the war as one big test. On tests I'm always thinking "what is the answer, what is the answer, WHAT IS THE ANSWER."

In my head and that's what I'm doing with the war. Some people say "violence is the answer." But if I was a teacher you would get a F. I don't know about you but I think peace is the answer, and I'm going to try to make the world a better place and I hope you do the same.
